

GMOs

What are GMOs?

How do they affect *YOU* and *YOUR* health?

What even are the social, economical, and agricultural implications of GMOs?

The College of Agriculture and Life Sciences' Graduate Student Council & VT's Food Science Club present:

GMOs and YOU

A Science-Based Panel Discussion on Genetically Modified Organisms

Hear what your Virginia Tech professors and scientists have to say!

Tuesday April 26, 2016

from 6:00 - 7:30pm

Litton-Reeves Auditorium

Light Snacks & Refreshments Provided
