## MEETING OF THE MINDS IN THE MULTICULTURAL CENTER THE DAKOTA ACCESS PIPELINE -- A DISCUSSION

Monday, November 7, 2016: 12-1:30pm in 140 Squires Student Center

The Dakota Access Pipeline Project is a new, approximate 1,172-mile, 30-inch diameter pipeline that will connect two rapidly expanding production areas in North Dakota to Patoka, Illinois. Join us to share your thoughts about the measures that should be taken to appropriately protect the environment, wetlands and culturally sensitive areas in the four states included the pipeline route. Refreshments will be provided.

sponsored by the American Indian and Indigenous Alliance, the Division of Student Affairs, and the Intercultural Engagement Center

Is your graduate student group having an event? Is your band playing a show?  
Have you heard about a great funding source for graduate students? A great volunteering opportunity?

**We want to feature those things, and more.** Contact Samantha by 5pm on Friday: [sfried@vt.edu](mailto:sfried@vt.edu)
