Careers in Science and Medicine: Workshops and Mentoring Sessions

Saturday, September 12, 2015

The Hyatt Regency Hotel

Baltimore, MD

1:30 pm – 5:00 pm

Who should attend?

**Anyone considering careers in
biomedical research and medicine:**

- College and high school students
- Post-bacs and lab techs

Also invited:

- Parents
- Pre-health advisors
- School and college administrators

Why attend?

- Learn about MD, PhD, and MD-PhD programs and meet program directors and administrators from across the country
 - Learn about AAMC Services (MCAT/AMCAS/AspiringDocs and SMDEP, etc.)
 - Learn about summer research programs and post-baccalaureate research programs
 - Hear about the life of PhD and MD-PhD students
- Participate in mentoring sessions with PhD and MD-PhD program leaders and trainees

This is a FREE event. Registration is open.
